

Bianca 12 Light Island Light Polished Nickel, Crystalline Smoke with Piastra Type Glassware

The linear island type chandelier from the Bianca collection exudes elegance with its cascading clear “Piastra” glass panels that shimmer like delicate ice sculptures. (The top row of glass features smoke panels with the balance of the frame has clear glassware). These textured glass elements are gracefully suspended from a polished nickel frame, radiating a sense of refined artistry and grace. A perfect addition to any dining room with rectangular table or perhaps in a kitchen over an island.
